

Presentation evaluation

Name of presenter:

Name of commenter:

Comment on each of the presentations of your colleagues. Remember to try and be constructive in your critique.

Was the topic/main point outlined clearly?	
Was there a clear structure evident?	
Were the slides appropriate, clear, not too dense, etc?	
Was the spoken presentation easy to follow?	
Were the slides and spoken presentation well-integrated?	
Were there any pronunciation or grammatical problems that hinder understanding?	
Was it a cohesive and coherent presentation?	

OVERALL COMMENTS:

- **Strengths of the presentation**
- **Suggestions for areas of improvement in the presentation**
